STAT, work and life experience

This information is for prospective students applying on the basis of a Special Tertiary Admissions Test (STAT) result, work and/or life experience.

The table contains information regarding the selection criteria for undergraduate courses where STAT, work and life experience is an admission pathway.

You are eligible to apply for entry to Flinders University courses via this pathway if:

- you are 18 years or over before 1 February 2019, and
- if you studied at higher education level in 2017 or 2018 you have not accumulated more than a total of two full-time years of higher education study, including any study completed prior to 2017

Key to table

STAT Recommended/Required

For courses where STAT is recommended but not required, you may choose not to sit the STAT and only submit a personal competencies statement and/or information about your work experience. The institutions however, recommend that you sit the STAT in order to maximise your chances of selection.

Life experience Yes/No

Yes the course does or no it does not consider life experience in the form of a personal competencies statement in its selection criteria.

Work experience Yes/No

Yes the course does or no it does not consider work experience in its selection criteria.

Other criteria

If the course uses additional selection criteria such as audition, portfolio or interview, details will be listed here.
