### STAT, work and life experience

This information is for prospective students applying on the basis of a Special Tertiary Admissions Test (STAT) result, work and/or life experience.

The table contains information regarding the selection criteria for undergraduate courses where STAT, work and life experience is an admission pathway.

### Key to table

#### STAT Recommended/Required

For courses where STAT is recommended but not required, you may choose not to sit the STAT and only submit a personal competencies statement and/or information about your work experience. The institutions however, recommend that you sit the STAT in order to maximise your chances of selection.

#### Life experience Yes/No

Yes the course does or no it does not consider life experience in the form of a personal competencies statement in its selection criteria.

#### Work experience Yes/No

Yes the course does or no it does not consider work experience in its selection criteria.

#### Other criteria

If the course uses additional selection criteria such as audition, portfolio or interview, details will be listed here.
